'Teacher's Feedback on Curriculum'

Name of Faculty member: Vandana Kushwah Department: Electrical Engineering
Designation: Asst. Prof Course: B-Tech
Email: VandanaKushwah556@gmail.com Academic Session/ Semester: 2021/22 / Odd Sem

This feedback form is intended to collect information relating to your satisfaction towards the curriculum of courses in the programme. The information provided by you will be used as important feedback for quality improvement of the curriculum.

Directions: For each question, please indicate your degree of satisfaction with the following statements (attributes) by choosing a ✓ (for awarding score between 1 and 5).

Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
1	2	3	4	5

Sr. No.	Curriculum Evaluation	Score				
		1	2	3	4	5
i.	Syllabus of courses of curriculum is comprehensive enough to give adequate knowledge of the domain/ subject				✓	
ii.	Aims, objectives, outcomes of syllabus of course are well defined and clear to stakeholders				✓	
iii.	Syllabus of the course is appropriate and relevant with the current employment/ market/ global demands and technological advancements					✓
iv.	Course syllabi/content is interesting and effective in developing analytical and problem solving skills among students				✓	
v.	The prescribed text books, reference books and material for reading/ understanding the course are relevant, sufficient, and easily available				✓	✓
vi.	Curriculum facilitates in developing various attributes like Leadership, creativity, innovation, self-motivation, professional ethics, and social responsibility among students					✓
vii.	The course/syllabus has a good balance between theory and practical work and teacher have ample freedom to cover syllabi using verity of teaching techniques such as presentations, demonstrations through videos, group discussions, etc.				✓	
viii.	Curriculum portrays well defined structure with pre requisite courses for each course and provides sufficient flexibility in terms of subject choices/ electives				✓	✓
ix.	Curriculum is effective for enhancing the employability and developing the entrepreneurship among students				✓	
x.	Curriculum is effective enough in inculcating abilities among students to work effectively as an individual and as a member of diverse teams				✓	
xi.	The curriculum is helpful for students to pursue higher studies				✓	

Note: You may give your suggestions (if any) for the improvement of curriculum in the below space:
