

About Eshan College of Engineering

Located at Agra Mathura Highway, Eshan College was established in 2009 with a lush green campus over 11.52 acres. It serves those students who are interested to pursue their careers in Engineering. It was established with the aim to constantly develop the excellence of education, raise the aptitude of our students, to facilitate & embark upon a successful career. It not just caters the academic excellence but also empowers its students with immense exposure, qualified pedagogy, excursions, competitions, internships, live projects, and extracurricular activities. It believes in the holistic development of its students rather than one-dimensional development.

About Computer Science & Engineering Department:

Computer Science & Engineering is the study of the theoretical foundations of information and computation and of practical techniques for their implementation and application in computer systems. The Department of Computer Science & Engineering at Eshan College of Engineering offers B.Tech and M.Tech courses. Students learn fundament

-als of computer hardware and software and become familiar with a variety of its applications. The department has requisite number of faculty members, striving to incorporate excellence in theory and practice. The department provides state of the art computing facilities to the students with wi-fi and high Internet access speed.

About the Seminar:

Department of Computer Science & Engineering is organizing a seminar on 'Entrepreneurial skill training for young minds (Entrepreneurship)' on 16/10/2019.

The objectives of this seminar are to discuss briefly about:

1. Connecting daily life and entrepreneurship
2. Familiarizing youngsters with the entrepreneurship culture
3. To Mapp the problems that young entrepreneurs are facing
4. Comparing the relationship between working hours and productivity
5. Practicing both ways of working
6. Managing time in the working place

Seminar
