

ECE at a Glance

Situated at Agra Mathura Highway, Eshan College was established in 2009 with a lush green campus over 11.52 acres. It serves those students who are interested to pursue their careers in Engineering. It was established with the aim to constantly develop the excellence of education, raise the aptitude of our students, to facilitate & embark upon a successful career. It not just caters the academic excellence but also empowers its students with immense exposure, qualified pedagogy, excursions, competitions, internships, live projects, and extracurricular activities. It believes in the holistic development of its students rather than one-dimensional development.

Know the Seminar

- Research ethics defines the way to incorporate ethical principles into research practice in all stages of the investigation, from planning and inception through to completion and dissemination of results. Maintaining ethics in research and publication is of paramount importance in academics. This seminar aims to deepen the student's understanding of moral philosophy employing a thorough investigation of available literature in the field

Students will also understand the ethics need to consider when going for publication their results. So, to spread the awareness of Publication ethics across students of various departments of the institute, Eshan College of Engineering is planned to organize seminar on "Research Methodology – Understanding Publication Ethics" on 7/8/2017 – 8/8/2017. The speaker for the program is Dr. G. Srivastava and Dr. S.K. Gautam. In this talk, speakers will give briefs on:

1. The five pillars of research i.e. originality, ethics, authority, quality of knowledge and nature of knowledge
2. Different software to curb the plagiarism
3. Developing research impact assessment skills, citations, journal impact factor, etc
4. Exploring methodology framework for quality research

Key points of Seminar:

1. Scientific Conduct
2. Course Highlights
3. Publication Ethics
4. Open Access Publishing
5. Publication Misconduct
6. Citation Database
7. Reference Management
8. Qualitative Research

Seminar
