

## **ESHAN COLLEGE OF ENGINEERING**

(Approved by AICTE, New Delhi, Affiliated to Dr. A.P.J Abdul Kalam Technical University, Lucknow)  
Sahzadpur Pauri, NH-2, Agra-Mathura Highway, Mathura-281122, Uttar Pradesh  
Website: [www.eshancollege.com](http://www.eshancollege.com)

### **Department of Civil Engineering (CE)**

#### **Vision of the Department**

To produce highly competent and skilled civil engineers, through quality engineering education with global perspectives, for the sustainable growth of the society.

#### **Mission of the Department**

- To provide state of the art infrastructure and conducive environment with innovative teaching and learning in the department.
- To provide sustainable solutions to civil engineering problems through industry-institute interaction by dissemination of knowledge and technical services.
- To impart soft skills, leadership qualities, professional ethics and human values among civil engineers for successful professional carrier.

### **Department of Computer Science & Engineering (CSE)**

#### **Vision of the Department**

To produce highly competent and innovative computer science professionals through excellence in teaching and training with latest tools & technologies.

#### **Mission of the Department**

- a. To impart high quality education and professional training to our students by providing conducive environment and state of the art infrastructure.
- b. To inculcate leadership skills in students and encourage them to become globally competent professionals.
- c. To render value based education to students to take better engineering decision with social consciousness and to meet out the global standards.

### **Department of Electrical Engineering (EE)**

#### **Vision of the Department**

To produce globally competent and socially sensitized electrical engineers with strong commitment towards societal development.

#### **Mission of the Department**

- a. To prepare engineering graduates with sound fundamental knowledge of Electrical Engineering by providing quality education through excellence in teaching-learning blended with practical engineering skills.
- b. To provide conducive, academic, and social environment to groom our graduates as socially acceptable citizens.
- c. To provide state of art infrastructure and technologies for students to meet the global emerging challenges through collaborations with academia and research organizations and industry-institute relationship.

### **Department of Mechanical Engineering (ME)**

#### **Vision of the Department**

To be recognized as an excellent center providing mechanical engineering education, leading to highly competent engineers having professional, ethical and social concerns.

#### **Mission of the Department**

- To impart quality education for thorough knowledge of the domain to our students for enhancing their fundamental skills to make them globally competitive mechanical engineers.
- To provide state of the art facilities and conducive environment for well grounding our students in the fundamental principles of engineering and preparing them for diverse careers.
- To strengthen continuing education with special focus on training and skills up gradation of students through institute-industry relationship & collaborations with academia and research organizations.
