

ESHAN COLLEGE OF ENGINEERING, MATHURA

Approved by All India Council for Technical Education, New Delhi (AICTE)

Affiliated to Dr. A.P.J. Abdul Kalam Technical University, Uttar Pradesh

Policy on Core Values, Ethics & Code of Conduct

Core Values of the Institute:

1. Respect for Nation

Every member of ESHAN family should abide by the constitution of India and respect its ideals and institutions, the National Flag, National Anthem, its heritage, and uphold and protect the sovereignty, unity and integrity of the country.

2. Responsibility

Everyone in the institute must discharge his/her duties with utmost responsibility.

3. Accountability

Every individual who has been entrusted certain roles and responsibilities shall be accountable for his/her actions.

4. Transparency

All the activities should be conducted in a transparent manner and records should be maintained properly.

5. Gramothan

The Institute is committed to developing nearby villages and schools located in the slum areas.

6. Faculty Development

Institute believes in the individual academic development of its faculty and shall encourage them to undertake higher studies, provide facilities to carry out innovative research, and promote them to participate in the development of the Institute and nation building.

7. Quality

Institute would pursue quality in all its endeavors like teaching learning process, examinations, research and development and all related functional areas.

8. Environmental Stewardship

Committed in incorporating green technologies for environmental protection and sustainable development of the Nation.

9. Respect for others

The dignity and respect of every individual must be observed while interacting with others.

10. Fairness

Everyone in the Institute must treat others honestly and without any bias based on cast, creed, sex, religion, disability or any other matter of personal performance.

Code of Ethics:

1. Adherence to the Highest Ethical Standards

It is expected that every employee, faculty members, officer, staff, members of Governing Board, management to adhere to the highest ethical standards and respect rules, regulations and laws which are applicable to his or her position and duties and to comply with them in letter and spirit.

2. Maintenance of the Highest Standards of Academic Integrity

Every member of the Institute involved in teaching and research activities is expected to the highest standards of honesty and integrity. Activities such as plagiarism, misrepresentation and falsification of data are strictly prohibited.

3. Maintenance of Accurate Records

Every member is expected to create and preserve correct records and documents regarding all the activities performed.

4. Compliance with All Grant Terms & Conditions

Every member is expected to comply strictly with the terms and conditions of each grant on which he or she is working.

5. Work Towards Achieving Vision and Mission of the Institute

Every member is expected to faithfully carry out his or her professional duties in furtherance of the Institute's vision and mission.

6. Equal Policy for all stakeholders of the Institute

The Institute is committed to a policy of equal treatment, opportunity and respect in its relations with its faculty, staff, students and others who come into contact with the institute. Every member is prohibited from discriminating on the basis of caste, religion, colour, gender, age, disability or parental status.

Code of Ethics for Prevention of Malpractices and Plagiarism in Academics and Research

The Institute firmly believes in following ethics and honesty in every aspect of academic activities. Teaching and research are novel professions which necessitate stringent moral obligations. Therefore, certain measures are established for prevention of malpractices and plagiarism failing which would evoke disciplinary actions at various levels.

- **Mandatory Similarity Check**

It is mandatory for each student to get a plagiarism check performed for submitting project report/dissertation/ research paper to the Institute or any other agency for ensuring the authenticity of the submitted document.

- **Mandatory Similarity Check of Conference Paper Submission**

The similarity check is also performed on abstract and research papers submitted to the conference organized by the Institute to curb plagiarism.

- **Award of Incentive and Certification**

Faculty members are encouraged to publish their research finding in reputed research journals.

- **Academic Integrity Panel**

An Institutional integrity panel is formed to address any complaint or allegation of malpractice against student/faculty member.

Code of Conduct

The Institute has got a code of conduct for all the students and the staff members. All the staff and students must know that it is important for them to follow these Code of Ethics and Conduct and the rights/ responsibilities including the restrictions flowing from it.

It is expected that, the freedom should be with sense of responsibility. Being aware of the rights should go together with consciousness towards duties. All pleasures are to be enjoyed with sense of morality. All arguments should take place maintaining the dignity.

Certain policies are to be formed and communicated to all the elements to strike the balance between the freedom and responsibilities, rights and duties, in pursuit of knowledge, respecting all the individuals.

Code of Conduct for Students

The Institute is a temple of learning. All the students who have been admitted must act in a dignified manner so that the prestige of Institute, their parents or their own is not compromised. ESHAN students assume an obligation to conduct themselves in a manner compatible with the Institute's norms. They should behave respectfully with others. The students must strictly follow the following code of conduct.

1. **Dress Code:** The students are required to follow the dress code while they are in the campus on all five days. This will keep all the students belonging to different economic strata at a common footing.

- 9. Every faculty is expected to maintain general cleanliness within staff room, classrooms, laboratories, corridors, canteen, hostel and the campus in general.
- 10. Faculty member and all other staff members are expected to follow all safety precautions required during work in laboratories and workshops. They would follow all rules and regulations related to road safety also.
- 11. All are expected to donate blood voluntarily if they can do so.

Code of Conduct for Departmental Heads

- 1. The HODs will coordinate all the academic and administrative activities in their respective departments.
- 2. They will provide effective leadership and set precedence in their respective departments so that their younger colleagues feel proud and follow them.
- 3. They must arrive in the Institute at scheduled time and should remain available to their faculty and students during working hours.

4. The HODs of Technical Departments must teach at least one complete theory subject and one laboratory class in each semester. They should not send their substitutes for engaging these periods when they are present in the Institute. This will set bad precedence for other faculty members. The HODs other than technical departments must share full load of at least 15 hours.
5. The HODs must inspect the class-room teaching of each and every faculty member randomly and evaluate their performance. This will give each faculty member an opportunity to improve his/her performance.
6. The HODs at regular intervals inspect the course files, attendance registers of faculty members and ascertain whether the course is covered adequately and to the satisfaction of students. They should record their initials with date on the course file and discuss with the faculty regarding short comings, if any, for improvement.
7. The HODs for proper functioning of laboratories, will appoint laboratory in-charges who will look after the development activities in the labs. The HODs in consultation with lab in-charges will finalize the list of equipment required and help the Management in the process of procurement. They will also inspect the labs at regular intervals and see to it that the labs are properly maintained and the experiments are performed systematically and methodically.
8. The HODs will also inspect the sample lab records of the students and ascertain whether these are checked and evaluated regularly and the faculty members are holding preexperiment and post-experiment Viva.
9. The HODs will see to it that the projects which the students are required to carry out during VII & VIII semesters are well thought about in advance by the project guides and should be allocated to the students by the end of V semester or at the beginning of VI semester.
10. The HODs should appoint in-charges for industrial tour at the beginning of the V semester and see to it that they make adequate preparation well in advance so that fruitful visits are undertaken during VI semester.
11. The HODs will analyze the results of the students of their respective departments within a week from the date of declaration. As per the requirement of NBA the performance should improve continuously. The HODs must assign targets of pass percentage (which should be higher than the previous year) to every subject teacher which should be achieved. If a teacher fails to achieve his/her assigned target, reasons must be analyzed and appropriate action be initiated by the HOD concerned.
12. The HODs will assist the Management in the recruitment of teaching faculty and supporting staff in their respective departments.
13. The HODs will review, from time to time, the performance of each and every faculty and staff and forward their performance appraisal reports along with their remarks in the month of May every year. On the basis of the report the faculty and staff will be granted increment.
14. The HODs will obtain feedback from the students about various aspects of class room teaching, laboratory work and other things and take appropriate action for continuous improvement.

15. The HODs will hold regular meetings with their departmental colleagues (may be once in a fortnight) and discuss the departmental problems related to the academic and administrative matters.
16. The HODs will hold a special meeting of the faculty well in advance of the beginning of odd/even semesters and decide about the allocation of teaching load in a fair and democratic manner. The class-wise and faculty-wise teaching load should then be forwarded to the Dean (Academics) and to the time-table in-charge for preparing the time-tables.
17. The HODs will encourage the faculty members to undertake industry sponsored projects, undertake consultancy work through the Institute, carryout research and publish papers in a SCI Journal or any other Reputed Research Journal.
18. The HODs may constitute departmental committees to carry out departmental activities smoothly and to maintain proper records from the point of view of accreditation by NBA. As far as possible all the faculty members must be involved in at least one committee.
19. The HODs will forward the leave applications of the faculty and staff well in time (at least two days in advance for planned leave) but discourage recommending of frequent leave without pay. No short leave should be forwarded for faculty/staff if they have teaching load during that period.
20. If any faulty remains on leave due to sudden illness or due to any unforeseen reason, the respective HOD will make alternative arrangement so that his/her teaching load is engaged.
21. The HODs should regularly monitor the class attendance of students through the batch counselors. They should find out from the chief batch counselor about the actions taken against the students having poor attendance.
22. The HODs will take strict disciplinary action against the students of their respective departments if they indulge in the activities of in discipline such as mass cut of classes.
23. The HODs will take strict disciplinary action against the faculty/staff if they do not engage classes in time or leave classes early.
24. The HODs must check the unit/midterm test question papers set by the faculty members and also ensure that the answer books have been evaluated properly by inspecting randomly selected answer books.
25. The HODs must regularly obtain reports from the faculty after every unit/midterm test whether the course outcomes and programme outcomes have been achieved.

Code of Conduct & Responsibilities for Dean (Academics)

Dean (Academics) is the executive/academic head of the Institute and shall be responsible for

—

1. All round academic growth of the Institute including accreditation of the Institute/Departments by National Accreditation bodies by NAAC/NBA.
2. Planning and implementation of all academic programmes such as refresher/orientation course, seminars, conferences, workshops, faculty development

programmes, short term training programmes, expert lectures etc. to be organized for the development of faculty and students.

3. Participation in teaching and research programmes of the Institute.
4. Planning for admissions of the students and maintenance of discipline in the institute.
5. Correspondence with outside institutions like UGC/AICTE/Affiliating University/Govt. and other institutes within and outside the country.
6. Supervision of internal and University examinations and all such matters pertaining to the examinations.
7. Evaluation and maintenance of performance appraisal scoring system (PASS) of the faculty and the supporting staff.
8. Administration and supervision of curricular, co-curricular and extra activities conducted in the Institute.
9. Any other responsibility which may be assigned to him/her by the Management.
10. Grant approval of scholarship/free ship to any needy student.

Code of Conduct for Members of Governing Board

The Institute shall be managed by a regularly constituted Governing Board as per norms and guidelines specified by AICTE/UGC.

Responsibilities:

1. The Governing Board will hold its meeting at least two times in an academic year and frame policy guide lines to be implemented in the institute.
2. It will decide and approve budget proposals of the Institute/Departments.
3. It will take decision about launching any new course in the Institute and also decide about increase/decrease in intake in the existing courses.
4. It will make available funds required for creating new infrastructure facilities in the institute.
5. It will grant creation of new academic and other positions.

Code of Conduct:

1. The members of Governing Board shall maintain their character, mannerism, and good image and observe transparency in all their decisions.
2. The decisions and resolutions made by the Governing Board shall be mandatory and to be implemented by the Principal.
3. No member of the Governing Board shall use Institute's property for his personal use.
4. All the members of the Governing Board have the right to express their opinion freely and frankly but once the decision has been taken by the majority members it shall be binding for all.
5. The Governing Board will receive all communication in writing from the Principal and similarly it will convey all its decisions through the Principal.
6. Every member has a duty to avoid conflict between his or her personal interests and official responsibilities.
