

# Report of Activity under MOU

(Signed between DAWAR FOOTWEAR Industries & Eshan College of Engineering)

## Name of Activity:

A two days' special expert talk in DAWAR Industry cum industrial visit of engineering students under the MOU was conducted by Training Cell of Eshan College of Engineering in association with DAWAR Footwear Industries, Agra.

Date of Activity: 2<sup>nd</sup> – 3<sup>rd</sup> May, 2022

Realizing the motive of this MOU between two organizations, this industrial visit and expert session in DAWAR industries was planned as the Industrial visit is considered as one of the tactical methods of teaching.

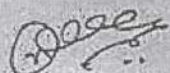

It lets student of the college to know things practically through interaction, working methods and employment practices when interacted in the experts in DAWAR Industries. Moreover, it gives them exposure from academic point of view. It provided an exposure to students about practical working environment and a good opportunity to gain full awareness about industrial practices. After visiting the industry students gains a combined knowledge about both theory and practical. Moreover, students will be more concerned about earning a job after this Industrial visit.

**Outcomes of the activity:**

- Helpful in students' future practical Life & bring a positive change in their thinking & practical behavior regarding education & specializing their technical skills.
- Information on different parts & use of machines and associated systems with multiple operations.
- Know management of manpower and machines in industries.
