## Report of Add-On Certification Course

Department: - Mechanical Engineering

Name of Certification Course: - Advancements in Welding Technology

Time Duration: - 30 Hours

Date: - 02-12-2021 to 16-12-2021

Course Fee for Students: - Free of Cost

Registered Students: - 95

Present students: - 95

Course out comes: - Graduates will be well versed in both traditional welding technologies, including all major arc welding processes and the newest advancements in CNC and fabrication equipment. Math and science will be cornerstones for experimenting, testing, data analysis and problem solving with commitment to quality, timeliness, and continuous improvement

The efforts of the College to give such add-on qualifications and skills to the students besides their fixed University Academic Courses, is hereby appreciated and look forward to rendering our services to our young, animated and potential minds, ensuring that our collective efforts in upholding the central holistic objective of our education system is accomplished.
