Scheme- Betı Bachao Betı Padhao

Organized by- Eshan Female Teachers & Girls Students

As was suggested by our honourable trustee ma'am, our college organized a “Gender Awareness Program with focusing theme “Betı Bachao Betı Padhao” campaign. The main objective of the programme was to create awareness among the people about the importance of girl child. The bigger objective was to discourage them against the female foeticide, a cancer for the society. There was a huge enthusiasm among the teachers and the students for the programme. 61 participants were present in the Seminar Hall of the campus of ECE where this programme was organized by Eshan Female Teachers and Girl Students.

First, lighting of the lamp took place so that almighty god always keeps us in his arms and protects us. There was introductory speech by our trustee ma'am. She highlighted the achievements the daughters of the country which they had obtained in various fields. She mentioned the names of some female achievers in all the fields such as Rani Laxmi Bai, Sunita Williams, Kalpana Chawla, Sakshi Malik, PT Usha, Indira Gandhi etc. Their speeches instilled the girl-students with pride and courage. Students were sensitized about the relevance of a girl child. They pledged to honour the girl child and contribute towards their education.

Next, experts and other faculty members participated in the interactive session where Betı Bachao Betı Padhao goals were discussed in greater depth. It was a matter of pride for us that men also took full interest in this initiative. They tried to understand the issue and contribute whatever they could for female upliftment and respect in the campus. Following major goals were discussed in depth-

- Improve the child sex ratio
- Ensure gender equality and women empowerment
- Prevent gender-biased, sex selective elimination
- Ensure survival and protection of the girl child
- Encourage education and participation of the girl child
