Poverty is just like a condition of slave when a person becomes unable to do anything according to his/her wish. It has many faces which changes according to the person, place and time. It can be described in many ways a person feels it or live it. Poverty is a situation which no one wants to live however has to carry it by custom, nature, natural disaster, or lack of proper education. The person lives it, generally wants to escape. Poverty is a call to action to the poor people to earn enough money to eat, have access to education, get adequate shelter, wear needed clothes, and protection from the social and political violence.

Children are bright future of the country. They should be treated and appreciated well with lots of love and affection. In order to fulfil such needs of children, Children's Day is celebrated all over India on 14th of November every year. Chacha Nehru said that children are the future of the country so it is necessary to love and care them until they stand on their own leg. Children's day celebration is a call to everyone to protect their little ones from any harm and save their future for bright future of the country. To honour Pt. Jawarhalal Nehru's sayings, Eshan Club hosted **"Children's Day Celebrations (Distributing Pasteries, Cake and Toffees) with Childrens at Billochpura Slum & MalkoGali (Aap Ki Mazar) Slum"**.

Cakes, Pastries and Toffees often excite children and they become more excited if its out of their reach to consume such delicacies. There were 35 participants who lend their hands in this social welfare activity. Faculty members were also present and appreciated such kind efforts of Eshan Club. Our Director shared his views by stating that children in our country have been forced for hard labour for long hours at very little pay. They have not access to the modern education that is why they remain backward. They need to raise their status which is possible when every Indian citizen would understand their responsibility. They are valuable assets and future of the country as well as hope of tomorrow. Children's day celebration is a right step regarding their bright future.
